STUDENT AWARDS

All types of projects are eligible including:

- | Design Projects.
- | Environmental Projects.
- | Local History Projects.
- | Oral History Recordings.
- | School Centenary Projects.

For prep, primary, secondary and tertiary students.

ENTRY REQUIREMENTS

Statement

Please include a short typed statement of A4 size (double spaced and single sided) covering:

- | Objectives and philosophy of the project.
- | Description of the works.
- | Chronological summary of critical steps in the project.
- | Summary of the major problems encountered and how these were overcome.
- | Comment on the end result and the applicant's view as to why the entry deserves an award and any other consideration which will assist the Judging Panel in its assessment of the nomination.

Photographs

A minimum of ten digital photographs saved at 300dpi on CD or USB Flash Drive, suitable for display or reproduction.

Drawings

Where appropriate please provide copies of sketches, floor plans, elevations and details to illustrate the work, all reduced to preferably A4 (297mm x 210mm) size.

JUDGING CRITERIA

Judging of submissions will occur in September 2014 by independent judges.

Each category has its own judging criteria. For further information about the judging criteria please refer to Council's webpage.

CONDITIONS

The project/site must be located within the Ipswich Local Government Area.

The project and all relevant approvals are normally completed in the current and/or preceding year.

The owner's approval must be sought and given on the nomination form.
